

BAND SAW OPERATOR

- Years experience? Minimum 1 year
- Must be able to operate all types of production saws cutting metal.
- Must be able to physically pull orders. – Up to 100#. (most *lifting* is done with a forklift).
- Experience working with steel is a big plus.
- **Must be able to read a chart to convert decimals to fractions, and fractions to decimals (VERY IMPORTANT).**
- **Ability to read a tape measure down to the 16th and ability to read a Micrometer**
Accuracy is extremely important so there is minimal waste from cutting.
- Must be able to operate a forklift – Large one, 15,000 pound capacity, and be able to maneuver 20, 40, 60' length material.
- Experience with Overhead Cranes
- You must be willing to work in other areas as needed and requested.
- **Non-Smokers only**
- Non air-conditioned building
- Quitting time is not set in stone for employees working in the Warehouse. If there is a truck to unload, or load, they will be required to stay and take care of that before leaving. It could be 6:00, or at times it could even be 10:00. That isn't often, but it does happen.
 - 1ST Shift: 6:00 a.m. until the work is done. Can go until later in the evening.
 - 2nd Shift: 5:00 p.m. until the work is done. Can go until early morning hours.
